An Omega named Deku

by [Bkdklover95](#)

Summary

Izuku didn't have an easy life. He was born a hybrid bunny omega and had no idea what to expect next. But he gets adopted and starts a new life. Maybe things will get better.

Today is the day!

I have been busy with work but I am gonna do it!

I am going to adopt another hybrid!

My name is Kirishima Eijirou and I am 25.

I live together with my hybrid wolf Katsuki.

A very manly yet grumpy boy who I adopted almost 5 years ago.

He is a pretty big boy and I love him very much.

The problem is that my job keeps me away for a long time from home.

I usually get home late and I am very tired.

I don't have enough time to spend with him anymore.

So I decided to get him a friend.

Maybe even a mate?

Who knows.

I am at the place where they take care of lost hybrids.

It's not exactly easy to raise a hybrid but it is worth it.

And since mine is a proud and pridefull alpha I was thinking of getting an omega.

I talked with a lady from here and she suggested a bunny hybrid.

He was I think the same age as Katsuki.

He looked very cute but was also scared.

I did end up getting him cause he just won my heart with those eyes and those cute long ears.

Now...

I hope Katsuki won't mind him.

I tried to tell him but he doesn't really listen to me.

Oh well.

It's now or never.

"Katsuki! I am home!"

I am finally home.

The hybrid bunny is behind me, very scared.

I guess he smelled Katsuki.

We got inside and there on couch was Katsuki.

He's ears were up and his pupils looked dilated.

Yep. He smelled the omega.

This is his first time meeting another hybrid since he rarely goes outside.

He is pretty dangerous since he is a wolf hybrid.

He never hurt anyone.

And he is also very smart so I am not worried.

"Katsuki... Meet our new family member. This is the cute bunny hybrid Izuku."

Izuku was still behind me.

But looked curious.

From a hybrid point a view I am pretty sure that Katsuki is considered attractive.

I mean he is a gorgeous wolf hybrid.

His golden fur is just beautiful!

"Come on you two! It's alright!"

I will leave them alone for a bit.

"Izuku. Be a good boy and get along with Katsuki."

And I left.

I hope they will be ok.

Oh my God!

Oh my God!

Not only did I get adopted after only a week but I am also living with another hybrid!

And he looks amazing...

Should I say something?

I am pretty shy...

The wolf came to smell me.

My ears were up but I let him.

This is his territory after all and I am knew.

I need to show him that I came in peace.

"Hi... I am Izuku. It's nice to meet you."

He just continued to smell me.

"Umm... Do you talk or...?"

"Of course I do dumbass!"

Aahh his voice is deep.

"Fucking Kirishima getting a fucking bunny. Oi Deku! This is my home so you better not mess it up!"

Deku?

"It's my home as well... So let's try to get along... Kacchan."

If he is going to call me Deku then I am going to call him Kacchan.

"Do I look like a kid to you?"

"No... But I wanna be close to you so I gave you a nickname as well."

I told him as I smiled sweetly at him.

He smells nice.

Like caramel I think.

"Hmm... You wanna be close little bunny?"

He asked with a smirk on his face.

I just blushed.

"Well yes... I mean maybe it will turn into something..."

I would actually love to have a strong mate like Kacchan.

"Hah? You my mate? Yeah right! You need to prove yourself first!"

"I will then! I will show you that I am worth your time and affection!"

He just looked at me.

And then I think he smiled a bit?

"Alright then. I am Katsuki or Kacchan as you fucking call me. Nice to meet you little bunny."

And he licked my cheek.

I blushed but did the same.

We also smelled each other a little.

I heard that this the proper way to say hi to someone new who you want to get close to.

Eijirou, our owner, came.

"Aww look at you two getting along! Do you like him Katsuki?"

Kacchan moved his tale a bit.

That means yes right?

If only he could understand us but human language is hard... I can understand it but I can't pronounce the words.

"Well I got to out for a bit. Be good you two!"

And he was gone.

"Come on nerd!"

Kacchan went to a big bed I think.

"Get here. Let's take a nap together."

Oh.

"Alright."

And I went next to him.

But ended up under him.

"K-Kacchan?"

"You are pretty warm and your heart is beating like crazy. Calm down! I just wanna fucking cuddle."

Oh...

"Sorry Kacchan. As a rabbit I get scared pretty easily."

"You have a strong and amazing alpha wolf to protect you and you are still scared?"

"I... You will protect me?"

"Of course you idiot! Now go to sleep!"

"Sweet dreams Kacchan!"

"Yeah, yeah. You too nerd."

It was almost night time.

Kacchan was sleeping soundly on me.

He looks so handsome when he is asleep.

"Mmmm..."

He opened those gorgeous red eyes and looked at me.

My eyes went up.

"Hey Kacchan. Slept well?"

"Yeah... Kirishima isn't home?"

"No. Not yet."

"Alright. Feeling better? Still scared?"

"No... I feel protected."

"Good. I don't want my omega to be scared all the time."

His omega?

"Kacchan... You called me yours..."

"... Shit. Yeah. I guess you are not that bad after all and I like your smell so wanna be mine?"

When an alpha is attracted to you it's usually starts with the smell.

Then he does some kind of ritual where he licks you.

"I don't really know..."

I mean I do like him but...

Becoming his mate would be a big deal.

I am not sure if I am ready.

He glared at me.

"Fine. I will show you that I am the fucking best!"

And he started to smell me.

Lick my neck.

Is he trying to seduce me?

I am pretty sure that my face is red.

A real alpha will always do this kind of thing to prove that they are worth being a good mate.

"Izuku... Your fur is very soft, your ears are very cute and those eyes are just fucking beautiful."

Oh God.

He is flirting with me!

I also wanna show him how much I like him!

"Thanks Kacchan. Your eyes are gorgeous and you are very handsome. Your fur looks very nice, you take good care of it right?"

He blushed a bit.

"Yeah... I groom myself every day."

"So do I!"

"Can I... Groom you?"

Oh.

That is a mare thing.

To groom your beloved.

"Alright... Be gentle please."

He nodded and started to groom me.

It feels nice.

He is good at it.

"May I groom as well? After you are done."

"Yeah. Sure..."

And we groomed each other for awhile.

This is nice.

Maybe...

"Hey Kacchan... I think I made a decision."

"Oh yeah?"

And I bowed my head a little.

"I will be in your care. Please make me your mate alpha."

Kacchan looked a bit surprised.

But also bowed a little.

"Yeah. You too."

And we kissed.

Well nose kissed.

Which means our noses touched a few times.

"Are we... Are we going to mate tonight?"

He blushed and so did I.

"I... You want to?"

"If you want to as well..."

"Then yes. Let's mate. I wanna mark you."

A mark is like a promise.

That I will belong to him.

"Alright..."

We mated that night.

I am now his and he is mine.

The next morning I saw my hybrids sleeling together, both naked and holding each other.

Oh shit.

Did they mate?

Already??

They must really like each other.

I am happy for them!

Can't wait for the pups!

But not too soon I hope.

"Hey Katsuki! Izuku! Good morning!"

They both made a sound and waved their tails.

"How are my boys doing? You two mated right? I am glad! Hope you will be happy together!"

Aahh I love my boys!

Well glad that Kirishima is fucking happy.

Can't believe I have a mate.

I really adore this stupid rabbit.

I wonder what will happen next.

"Hey Deku!"

"Yes Kacchan?"

"Can't wait to have pups with you!"

He blushed but nodded and smiled.

"Yeah... Me too Kacchan!"

Fuck he is the cutest.

It's been 3 years and Kacchan and I are parents.

"Kacchan look at them. They are very cute."

"Yeah. Not as cute as you but still pretty cute."

I blushed but smiled.

We have 5 pups.

They are sooo tiny.

Two cute bunnies and three strong wolfs.

I am proud of them.

Their fur is beautiful.

"I love you Kacchan. I am very happy that I am your mate."

"I love you too Deku. My adorable little bunny mate."
