Summary

I'm writing some klangst prompts from my tumblr (@damnlance) and wanted to post them here!! They won't be in the exact order, just the order that they're in from the requests I get soooo PLEASE GO TO MY TUMBLR AND REQUEST SOME! Also, they won't be that long. Anyway, Thanks!

Here are the prompts from my Tumblr:

1. **“Stay for me.”**
2. **“You look like something’s bothering you... You can talk to me if you need to.”**
3. **“Can you please just.. hold me..?”**
4. **“You know I have feelings for you.”**
5. **“Every time you do that, it proves that you don’t want to get better.. and that I’m wasting my time.”**
6. **“You’ve never hurt me. Ever.”**
7. **“You’re crying, again.”**
8. **“There’s this darkness in me... I don’t know how to explain it.”**
9. **“We just.. grew apart. And it was nobody’s fault.”**
10. **“I love you. I love you so much.”**
11. **“What keeps you up at night?”**

12. "I wish you were here."

13. "Say it, say you don't love me."

14. "You really don't remember. You tried to k*ll yourself."

15. "You're gonna be okay, alright? Just stay on the line with me, you'll be okay."

16. "I wasn't ready to say goodbye."

17. "If you wanna know, then ask."

18. "Why don't we make love anymore? Like we used to?"

19. "Did you always know that you were going to leave?"

20. "Don't give up on me.. I can't lose you, too."

21. "Where did you get all these bruises from?"

22. "I just don't feel anything anymore."

23. "Stop pretending life doesn't terrify you."

Again, they won't be in order, just from what I've been requested so yeah! Enjoy!
